# MIRIAM GROSSI

FRONT-END DEVELOPER

PERSONAL SUMMARY

Languages have been my first love, they are our first tool to understand and shape the world we live in. For this reason I have crafted my personal and working path around them. Learning, teaching, translating and analysing discourses led me to programming not just as a way to create something new but also as a different way to read and solve problems.

LANGUAGES:

- Italian (Native)
- Spanish (Fluent)
- English (Fluent)
- Brazilian Portuguese (Fluent)

SKILLS:

- Teamwork
- Effective communication
- Determination
- Adaptability
- Commitment
